Re: Miguel Valle v. Thomas Moran, et al.
Civil Docket No.: 7:07-cv-8214 (CLB)

Dear Judge Brieant:

Counsel have agreed to an extension on the briefing schedule permitting plaintiff to respond to Defendants' Motion to Dismiss no later than February 4, 2008 and Defendants' Reply by March 4.

The defendants have raised the issue of absolute immunity and request the Court stay discovery while the motions are pending and commence at the time the motion is decided; we have no objection. This matter is scheduled for a conference on December 7, 2007.

Very truly yours,

Karen L. Mayer
